200m Ind. Med										
400m Ind. Med										

The Club Championships are open to all members of Warley WASPS Swimming and Water Polo Club, so long as no other clubs Championships have been competed in this year.

All heats in the Championships will be grade from slowest to fastest. If times are not known, a tick will suffice so organisers are aware of what event swimmers wish to enter. These swimmers will compete in the first heats of the competition.

A points system will be used to determine the winners of each age-group:

- 50 and 100 IM for 8/u age-group.
- 50,100 IM & 200 FC, for the 9 years age-group.
- All events except 800 & 1500m for 10 years age-group.
- All events 11 through to Masters.

The points will be accumulative, so the more events entered the more points will be gained through race positions. The swimmer with the most overall points will be declared the winner of that age-group.

Masters age-group winner will be determined by using an accumulative points system on all events (excluding 800 & 1500m Freestyle).

Age-group trophies will be awarded to the first place, these will be engraved with the winners name and year of winning. 1st, 2nd & 3rd trophies will be given to those swimmers finishing in those positions. Medals will be given to each swimmer positioned 4th and below.

All swimmers who are 12 and under on the day will qualify for the Phyllis East Trophy. The winner will be determined through the fastest swimmer on the 50m Freestyle event (male and female). Separate replica plates will be awarded for the top 3 swimmers, both male and female.

All swimmers in the 13 years boys age-group will compete for the Gary Dumbleton Memorial Trophy. The winner will be determined through the fastest swimmer of 100m Freestyle event.

Age for the competition will be as of 26th September 2021.
